

# UNLEASHED

October 14-18, 2024, Orlando

Industrial AI | Service AI | Asset AI

The AI revolution has taken the world by storm, not only in terms of driving innovation but also in how AI is fueling productivity and transforming the way we work. Now more than ever, organizations are looking at how to unlock the art of the possible with AI and the seamless harmony between human creativity and artificial and machine intelligence is on the minds of leaders and experts across all industries all over the globe.

With AI at the forefront of modern innovation, we invite you to experience and explore what's possible when embracing AI's transformative power on your organization.

Join IFS assyst at IFS Unleashed, where AI-driven innovation redefines how we see the world an event that inspires, innovates, and leads us on a journey toward a future where creativity knows no bounds.

## A unique experience

Three days of invaluable, expert showcases to realize maximum value for your business with ESM/ITSM along with ERP, EAM, and FSM leaders.

With three days of presentations, panel sessions, and use cases, there is much to discover. Explore trends and challenges in ESM/ITSM and hear directly from IFS customers, partners, and industry leaders.

An exhibition of the profound impact of AI across all industries – dedicated zones for Airlines, Defense, Manufacturing, Industrial Manufacturing, Food & Beverage, Oil & Gas, Power Generation, Transmission & Distribution, Telco, Service Industries, Facilities Management, Construction & Engineering.

## Sessions for IFS assyst customers

Join our IFS R&D and product experts in a number of sessions that will deep dive into the IFS roadmap, latest innovations and how IFS.ai can transform your business. We're also delighted to have a number of our valued customers on stage to share their own stories and how they have recognized value through the implementation and partnership with IFS.
